Do you like being left alone?

He doesn't either.

Founded in 2002 by Candy Laflam, Pampered Pet Sitting, LLC has quickly become one of the Pioneer Valley's largest pet sitting businesses.

Throughout our growth, Pampered Pet Sitting has remained your friendly, personable and professional choice to care for your extended furry family.

Company President, Candy Laflam, has been an animal lover her entire life. She has been surrounded by critters from the day she was born and chose to dedicate her life to caring for not only her own animals, but also of those that want to ensure their own fur family is properly cared for.

Additionally In her limited spare time she also serves as an Animal Control Officer, helping to ensure the proper and humane treatment of all kinds of animals.

While there are other options, such as neighbors or kennels, those options are typically unreliable or expensive. Pampered Pet Sitting has the track record and experience to make sure that your pets are cared for by a professional. Pet sitting is our full time business and is all we do.
